

MY Lead

Lead has been such an eye opening experience and I'm glad you were able to go through this Amazing Program. I know the GFs and ambassadors didn't have some bonding time! but the time I did have with you I would never trade for any GF in the world. (Even if it was Gandhi.. yea your that impressive) you are the our little Family. And I do mean Family because I felt so close to every one of the group members. I would like to share something with you. You actually remind me of an old babysitter. ~~she~~ I used to hold the keys on her when my mom got her from leaving and truth be told I feel the same about you. I promise you your keys though lol. Please keep in touch. (313) 574-6438

GF/Laressa (by the way very pretty Name!)

You were Awesome. I was actually the first one you met out of all the members and I have to say after you gave me a smile I wasn't nervous anymore. The candy was great you made me feel at home! I always have been nervous just begin to talk around people I don't know and trust me I wasn't nervous. Thanks for always saying my name this back to your hometown/ home because I will and I know you will hurt me down if I don't!

Laressa!
